

We are thrilled to announce that Partnership for Drug-Free Kids will be coming to Tennessee for our first *All-Star Chef's Table* event! The evening will highlight critically acclaimed local chefs and bring awareness to the life-changing work we provide for families who are struggling with a loved one's substance use.

Tennessee is in the top 10 states with the highest opioid related deaths. Understanding the importance of localized resources is why we launched a targeted state-wide program in April 2017 to reach even more families in need. Partnering with the Prevention Alliance of Tennessee and other key leaders throughout the community, we are working to ensure families across the Volunteer State have access to free life-saving resources, support and guidance they need to help their child find hope and healing.

All-Star Chef's Table is an important opportunity to connect directly with our Tennessee community, and to grow our support to ensure we can continue to make a difference in the lives of families struggling with addiction. We cannot think of a better place to host this event than in the capitol of country music, Nashville, Tennessee. With Nashville's growing and vibrant culinary scene, *All-Star Chef's Table* is sure to be an evening you don't want to miss.

At the event, guests will enjoy a five-course seated meal presented by Music City's top chefs and accompanied by a live performance from the best of the Nashville music scene. VIP guests will enjoy an elevated experience meeting the chefs during an exclusive pre-reception, and will get a behind the scenes look as our chef's create their culinary masterpieces.

Each spring, the Partnership hosts an *All-Star Tasting* event in New York City. The event brings together our closest supporters – champions, community leaders, and partners from the private and non-profit sectors – to celebrate and raise critical funds to guarantee the Partnership can continue to be a lifeline for families and ensure all parents are prepared to help their loved ones thrive. We are eager to bring the same excitement to Nashville's *All-Star Chef's Table* and offer our wonderful supporters in Tennessee a chance to give back through an evening filled with hope and empowerment.

Opportunities to support *All-Star Chef's Table* include **corporate sponsorships, tickets, media partnerships, and in-kind donations**. Custom sponsorship packages are also available.

Your support is instrumental to the continued success of the Partnership for Drug-Free Kids. Proceeds from ***All-Star Chef's Table*** will benefit our work to empower families with information, support and guidance to help their loved ones. To learn more about the event and receive up-to-date information, please visit: www.drugfree.org/allstar-chefstable

If you would like to join our Tennessee-based Host Committee and help us plan, fundraise and spread the word, please email Elle Barks at elle_barks@drugfree.org or call 212-973-3504.
